Take advantage of the 2012 School Tax Credit

Using your 2012 Arizona school tax credit to help a child get more out of school.

Arizona law (ARS 43-1098.01) allows taxpayers to receive a tax credit of up to \$400 for donations that benefit students in our public schools. That's not just a deduction, it's a tax credit—it reduces what you owe in state taxes, dollar-for-dollar. When you contribute to a tax credit program at a Pima County Joint Technology Education District (JTED) before Dec. 31, your State tax liability will be reduced by the amount you contribute. In other words, you get your money back, dollar-for-dollar, in the form of a tax reduction.

Here's how it works:

Just send a donation to the Pima County JTED, earmarked for support of one of our many qualifying extracurricular activities. We'll send you a receipt for your records. Then, when you fill out your 2012 Arizona state taxes, you can subtract your donation from what you owe in taxes. Use Form 322 to deduct your contribution.

What qualifies:

By law, only donations to extracurricular activities that charge a fee qualify for the tax credit. Donations must be made to the JTED Central Campus school district, but directed toward a specific program at a specific school.

You may specify that your donation is a *contribution* that benefits all children, or you may designate it as a *fee* to cover the cost of a specific child's participation in an activity.

Just fill out the form then make your donation in person at the Pima County JTED District Office or mail the form, along with your check, to Pima County JTED. **Must be postmarked by December 31, 2012!**
